MOTION BY SUPERVISOR YVONNE BRATHWAITE BURKE

April 13, 2004

During the month of May, many activities have been planned throughout Los Angeles County focusing on women's health issues. For the past five years, the Los Angeles County Board of Supervisors has assumed an active leadership role in proclaiming May as "Women's Health Month." During this month, women's health status is highlighted, as well as the importance of women taking time to participate in their own prevention activities and health screening tests. The need for outreach services to educate women about preventive health and risk factors cannot be overstated.

On Saturday, May 8th, the day before Mother's Day, the Eleventh Annual Revlon Run/Walk for Women will be held at the Los Angeles Memorial Coliseum. Proceeds will support women's cancer research and programs in Los Angeles County including the T.H.E. (To Help Everyone) Clinic, WIN Against Breast Cancer, USC/Norris Comprehensive Cancer Center and Hospital Ovarian and Breast Cancer Program, and the Women of Color Breast Cancer Survivors Support Project.
